Dear Mr. President;

Please accept thanks of Oral Health for circular letter "The University Of Toronto and The Present War". The material will appear in its entirety in the February issue of the journal.

I would appreciate receiving one of your photographs for use as a frontispiece in an early issue of Oral Health, or if the university authorities have a half-tone cut that we might borrow, I shall be glad to send for it and promise its safe return.

Thanking you in anticipation, believe me,

Sincerely,

Wallace Seccombe
